Largest Gun Show in New York State Headed to Syracuse

SYRACUSE, April 3, 2008— Over 800 exhibits and displays will soon set up shop inside the Verizon Center of Progress Building at the Empire Expo Center on the New York State Fairgrounds. It's expected to be the biggest gun show ever held in New York State, drawing gun collectors and dealers from all over the United States and Canada. The Gun Show and Sale takes place April 19th thru the 20th.

Featured will be displays and sale tables from U.S. military arms, Colt Revolvers, high grade double barreled shotguns, Remingtons, muskets, Smith & Wesson, Kentucky rifles, gun parts and accessories, Indian items, Frontier and Western paraphernalia, Sharps, swords, Springfields, Winchesters, bowie knives, powder horns, civilian and military weapons from all nations, custom made and factory made knives, military relics and equipment from before the Revolutionary War to the present.

While most items are for sale on a cash basis, gun shows cling to the old fashioned trade and barter way of doing business. Hagglng for the very best deal possible is both expected and accepted. Old and unwanted guns are gladly purchased by our collectors who will pay top prices.

ADMISSION: \$6.00 per day. Children under 12, with parents, free.
\$5.00 per day – Senior Citizens.

Members of the press who desire to cover this event will be issued complimentary admission badges upon showing proper identification.
